Dear Senior,

RE: Invitation to attend the Launch of Dialogue Solutions Limited

I refer to the matter at caption and thank you sincerely for your most kind invitation to attend the formal launch of Dialogue Solutions Limited.

I regret to inform you that I am unfortunately unable to attend due to my obligations in the House of Representatives which will be in session at the same time and on the same day.

Please therefore now receive my sincere congratulations on your launch and my commitment of support in your venture.

I consider the work to be facilitated by your company most timely and more particularly of immense potential impact as it falls squarely within the Government's policies of reorganizing the justice system, which as you know have been aggressively pursued.

I am pleased to confirm my intention after the completion of stakeholder consultation, to introduce new laws in this session of parliament that will align with the work and advocacy of your company.

I am confident that we will benefit from your contribution as a valued stakeholder in the work that lies ahead and I wish you and your organisation a prosperous launch and lasting success in all your endeavours.

I remain

Yours sincerely,

Faris Al-Rawi, M.P.,
Attorney General and Minister of Legal Affairs
